

LINBIN (RAYMOND) GAO

raymondgao1992@gmail.com — 647-588-8655 — GitHub — LinkedIn

PharmD clinical informatics specialist and health AI founder focused on Epic EMR and medication safety.

EXPERIENCE

Co-Founder, Medsense Solutions Inc. (medsensehealth.ca)

Jun 2025 -

- Designed MedSense's agentic healthcare workflow layer, combining chat/voice agents, tool orchestration, patient-context memory, smart forms, pharmacist escalation, and AI documentation prefill
- Built bounded LLM orchestration with JSON schema validation, source attribution, safe fallbacks, progress events, and human-in-the-loop escalation
- Developed patient-context memory for allergies, medications, history, session summaries, and form submissions using relevance-based retrieval and controlled memory promotion
- Evaluated medication QA with retrieval/generation metrics, achieving 85% recall@10, 88% BERTScore, and 99% hallucination macro F1@10

Clinical Informatics Specialist, Hamilton Health Sciences

Nov 2020 -

- Led implementation of generative AI inpatient features at HHS, coordinating clinical requirements, stakeholder review, user adoption, and safe deployment planning
- Developed MUMPS solutions for Epic EMR build and break-fix requests across inpatient, pharmacy, emergency, and decision support workflows
- Co-led BestPractice Advisory governance/build work with clinical, operational, and technical stakeholders to improve EMR alerts and decision support
- Translated clinician requests into Epic and non-Epic workflow solutions using MUMPS, Python, and Excel VBA

Senior Pharmacist, West Lincoln Memorial Hospital

Apr 2020 - Nov 2020

- Led hospital pharmacy operations, overseeing medication-use workflows, clinical service delivery, and operational continuity
- Represented pharmacy leadership in automation implementation and new hospital site planning, translating medication safety/workflow needs into requirements

Clinical Pharmacist, St. Peter's Hospital

Oct 2018 - Apr 2020, Oct 2023 -

CERTIFICATIONS

Epic Systems: Chronicles Database Programmer, Inpatient Procedure Orders, Willow Inpatient, ASAP Emergency Department

Registered Pharmacist (Part A), ON, Canada

Jun 2018 -

EDUCATION

Doctor of Pharmacy, University of Toronto

2014 - 2018

AWARDS

Pharmacist of the year, Hamilton Health Sciences

2022

Patient safety award, West Lincoln Memorial Hospital - Hamilton Health Sciences

2020
